<b>Issued By:</b> <b>Date Issued:</b>		<b>Date Revised:</b> <b>April 2019</b> <b>Classification:</b>

## PURPOSE AND SUMMARY

Under the direction of the Residential Treatment Services Manager, the Youth Intensive Treatment Counsellor will ensure the current developmental and treatment needs of children/youth in his/her care in a twenty-four hour child and youth mental wellness care setting. The Youth Intensive Treatment Counsellor will actively provide daily therapeutic opportunities for program youth. The Youth Intensive Treatment Counsellor is responsible to work collaboratively with the clinical team to ensure program delivery is consistent with the philosophy, approach, goals and learning environment established by Dilico Anishinabek Family Care, which will ensure the cultural, social, emotional, mental, and physical wellbeing of children/youth and their families.

## DUTIES AND RESPONSIBILITIES

### 1. Service Responsibilities

Under the direction of the Residential Treatment Services Manager and in consultation with the clinical and cultural team, the Youth Intensive Treatment Counsellor is responsible for:

- a. ensuring the current developmental and treatment needs of children in his/her care are met by actively providing daily therapeutic opportunities and interventions within the context of treatment;
- b. plan, participate and coordinate daily therapeutic, cultural, recreational and social programming, group and individual sessions for the children and youth in the program, including;
  - i. participating in and facilitating land-based and therapeutic activities both at the unit and in the community or wilderness;
  - ii. emphasis will be placed on cultural values, traditions and ceremonies;
  - iii. participating in and facilitating recreational activities both at the unit and in the community or wilderness;
  - iv. providing children/youth who are impacted by substance misuse with interventions that support withdrawal management and increased coping skills;

- v. providing children/youth with behavioral challenges with opportunities to positively engage in pro-social activities as a therapeutic intervention;
- vi. providing meaningful family engagement activities that supports family reunification and family-focused aftercare activity learning;
- vii. implementing recommended therapeutic interventions by the clinical and cultural team, Dilico Mental Health and Addiction Services, Dilico Cultural Services, Dilico Health services, Dilico Child Welfare services and First Nation representatives;
- viii. where appropriate, implementing child/youth focused recommendations provided by child/youth's family, First Nation representatives, etc.;
- ix. travelling with children/youth to their First Nation to ensure youth's access to community supports, services and events;
- c. plan and coordinate intervention and supportive opportunities for children/youth's families to therapeutically participate in all aspect of the child/youth's treatment;
- d. completing progress reports and daily communication logs in keeping with the standards and procedures of Dilico Anishinabek Family Care;
- e. participating and facilitating in clinical consultations regarding children/youth/families who
  - i. enter services;
  - ii. while in treatment;
  - iii. during aftercare.
- f. carrying out the treatment plan of the child or youth as directed by the Residential Treatment Services Manager and in consultation with the Clinical and Cultural Team;
- g. ensuring the safety, well-being and basic needs of the children and youth by monitoring them and providing care according to the specifications of the agency policies and procedures, Osh-ki-niig Mash-ka-zii-win operations manual, licensing requirements, or as directed by the Residential Treatment Services Manager;
- h. participating in multi-disciplinary meetings, intake and discharge meetings and case conferences, as required and where individual treatment plans can be reviewed and revised if needed;
- i. providing transportation for the children/youth of the agency as may be required and assigned by the Residential Treatment Services Manager;
- j. assisting in ongoing upkeep, maintenance and general appearance of physical facilities/grounds;
- k. participating in the Ministry of Children and Youth Licensing process;
- l. participating in team meetings, clinical training and maintaining Therapeutic Crisis Intervention Training competency as per policies and procedures, this includes being familiar with and able to implement a variety of therapeutic strategies, providing crisis intervention and effective decision making skills;
- m. participating in program evaluation;
- n. being knowledgeable of, effectively dealing with and administering all medications and medical issues required pertaining to the youth in residence and accessing medical resources as required;

- o. in consultation with appropriate health care providers managing episodic health care experiences of children/youth such as; common colds, head-lice, scabies, etc. and ensure children/youth access and attend all required health related appointments;
- p. implementing the school-based mental health program in the Section 23 Classroom; this includes collaborating as part of a multi-disciplinary team to establish and maintain a therapeutic classroom environment; including the integration of curriculum requirements and mental health needs;
- q. assisting in the on-going orientation and guidance of casual staff, student placements, academic teacher and other relevant partners (i.e. resource persons).
